USA MINIMUM ADVERTISED PRICING POLICY DEALER RETAIL LOCATIONS AND INTERNET ADVERTISING

1. INTRODUCTION

Revenge Golf Cart Parts & Accessories in this document also known as Revenge is a growing golf car parts supplier and actively growing nationwide network of quality dealers and retailers. One of our recent successes is partnering with ICON EV to supply ICON Parts Nationwide to their dealer network. At Revenge we want to protect your ability to profit, while at the same time discourage price-based advertising that would be detrimental to our dealer's sales, service, installation, and support efforts. As a Result Revenge & ICON EV has unilaterally established this Minimum Advertised Price ("MAP") Policy for the USA market that includes both retail locations and internet advertised pricings.

2. POLICY STATEMENT

REVENGE, in its sole discretion, reserves the right to discontinue doing business with any reseller that incorrectly advertises and product(s) covered by this MAP / iMAP Policy at a price lower than MAP. Revenge in its sole discretion, also reserves the right to Adjust pricing at a higher price with any reseller not following guidelines set forth. This Includes the pricing of ICON EV Supplied Products.

3. GENERAL GUIDELINES

- a. The products covered by this policy are listed in section 8, ("MAP Products"). Revenge may in its sole discretion modify this list from time to time.
- b. Revenge recognizes that dealers are free to make their own decisions to advertise and sell a Revenge supplied product at any price they choose, without consulting or advising Revenge. Similarly, Revenge will exercise its right to make its own decision regarding the Revenge Authorized Reseller Program which Includes ICON Authorized Dealer Program, supplemental marketing materials, point-of-purchase displays, product allocation, new product availability, or future promotional, joint marketing, or sponsorship programs.

- c. The MAP / iMAP Policy applies to advertised prices, not the price at which MAP Products are actually sold or offered for sale to an individual in-store or over the telephone or online check out page.
- d. Revenge believes in maintaining a well-regulated and fair marketplace for all its authorized resellers. Please see the MAP FAQ's located on the website for current updated information on the MAP / iMAP Policy and enforcement.

- b. The MAP Policy does not apply to solely on-premises or in-store advertising that is not distributed to customers publicly outside the store.
- c. Website features such as "click for price," automated "bounce-back" pricing emails, preformatted email responses, forms, automatic price display for any items prior to being placed in a customer's shopping cart and other similar features are considered to be communications initiated by the dealer (rather than by a customer) and thereby constitute "advertising" and violate this Imap Policy.
- d. It shall not be a violation of this MAP Policy to advertise that a customer may "call for price" or "email for price", or to use similar language, specifically with respect to Revenge supplied Products, so long as no price is listed.
- e. This MAP Policy also applies to any activity which Revenge determines, in its sole discretion, is designed or intended to circumvent the intent of this MAP Policy, such as solicitations for "group purchase" and the like.
- f. It shall not be a violation of this MAP policy to advertise in general that the reseller has "lowest prices" or will match or beat its competitors' price, or to use similar phrases; so long as the reseller does not include any advertised price below MAP and otherwise complies with this MAP Policy.
- g. From time to time, Revenge may permit resellers to advertise MAP products at lower than the MAP retail price. In such events, Revenge reserves the right to modify or suspend the MAP retail price with respect to the affected products for a specific period of time by providing advanced notice to all resellers of such changes.
- h. From time to time, Revenge may offer a direct manufacturer's rebate to customers. In such events, it shall not be a violation of this MAP Policy to advertise the availability of the
