Tools

Electric drill ×1
PCS

Phillips screwdriver bit ×1
PCS

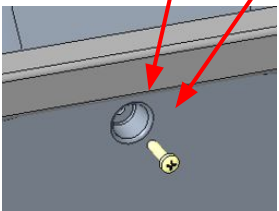

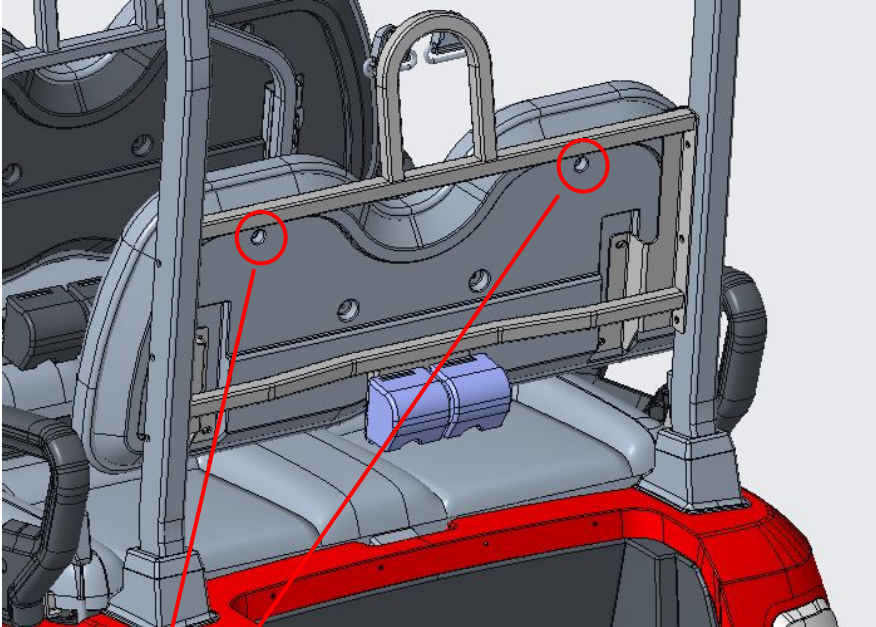

5mm Allen wrench ×1
PCS

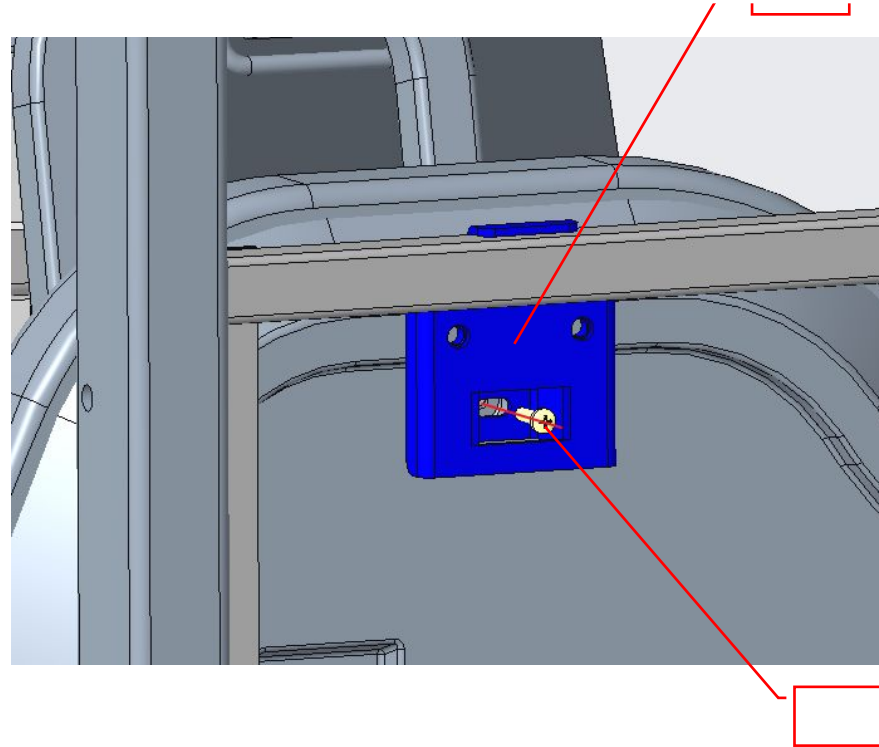

Step 1

Tools
used

Remove the fixing screws on the upper side of the backrest.

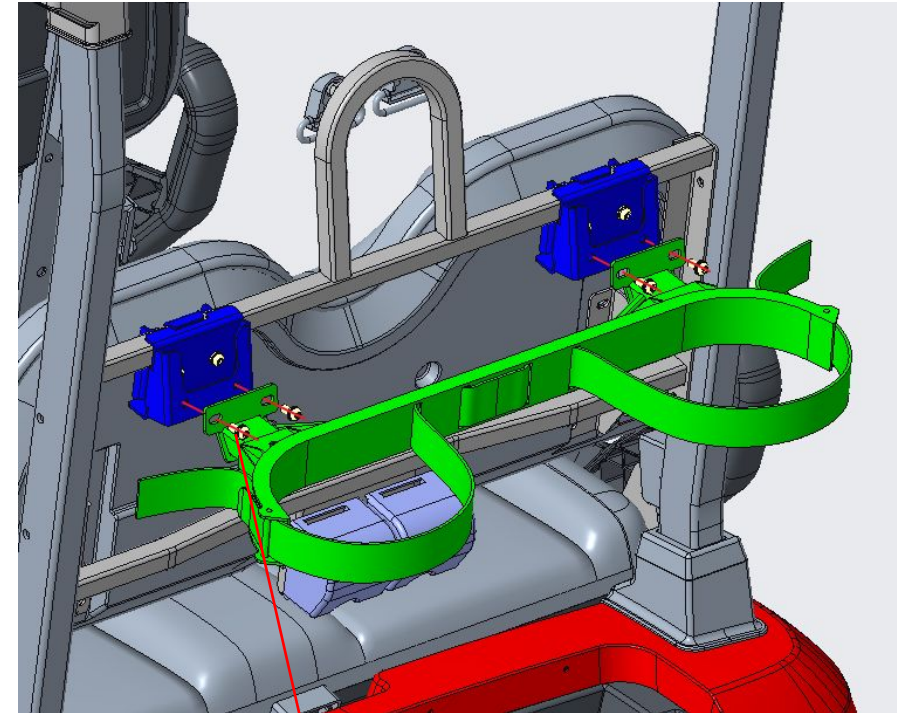

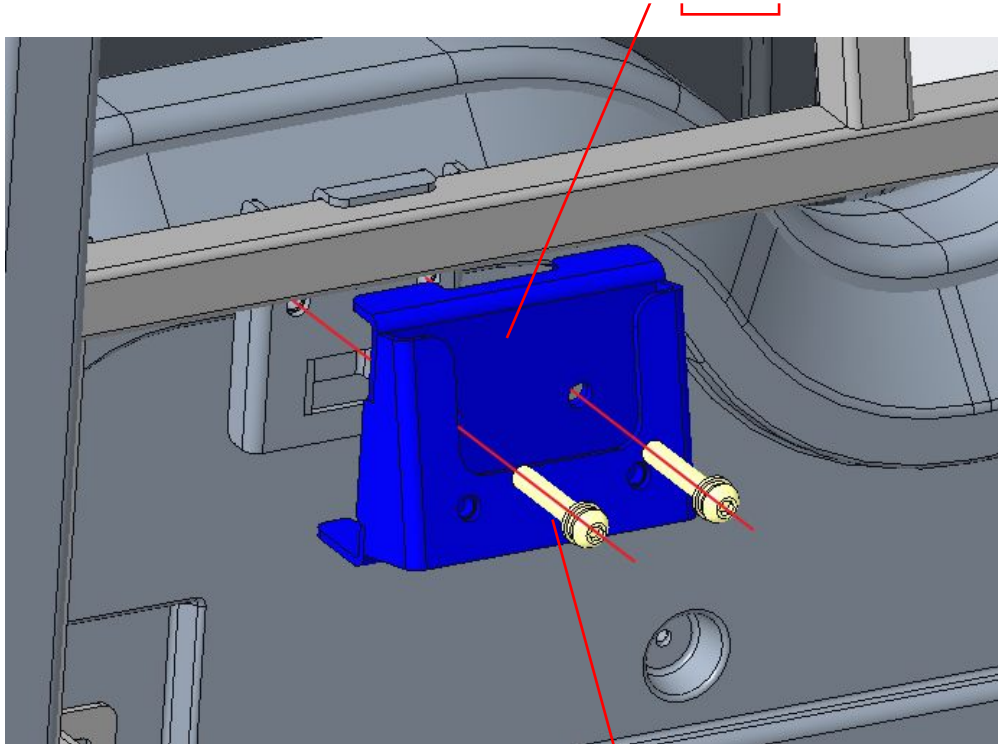

Attach Golf Bag Bracket Base 1 from bottom to top into the gap between the backrest and the backrest support. Align the lower fixing hole with the installation hole of the backrest, and secure it with screws. (The illustration shows the left side; the right side is the same.)

Step 2

Tools
used

A. Install Golf Bag Bracket Base 2
(The illustration shows the left side; the right side is the same.)

B. Install the Golf Bag Bracket or
Beach Chair Bracket
(The illustration shows the Golf Bag
Bracket; installation of the Beach
Chair Bracket is the same.)
